The Family Restored Outdoor Family Support Group COVID-19 Policy

This policy outlines the guidelines for facilitators and participants attending The Family Restored’s outdoor Family Support Groups. In order to keep all facilitators and participants safe, TFR has implemented the following guidelines:

Facilitators are required to collect the name and contact information for all participants attending the meeting.

Participants and facilitators must be able to answer no to all below questions in order to attend outdoor support groups:

- Have you had a cough or sore throat?
- Have you been fatigued?
- Have you been congested or had a runny nose?
- Have you had a fever, or do you feel feverish (chills, muscle or body aches)?
- Are you experiencing shortness of breath?
- Are you experiencing new loss of taste or smell?
- Have you been around anyone exhibiting these symptoms over the past 2 weeks?
- Are you living with anyone who is sick or quarantined?
- Have you been out of the state in the last 14 days?

Participants are expected to:

- Arrive no more than 5 minutes before the meeting
- Bring their own chairs for seating
- Abide by the CDC recommendations for social distancing measures and remain 6-feet apart from one another
- Refrain from shaking hands or otherwise embracing one another
- Wear a mask should social distancing become difficult

Participants who have attended outdoor meetings and become sick or test positive for COVID-19 agree to notify facilitators.

- Facilitators will respect the confidentiality of the individual who is sick or tested positive but will notify other attendees of a possible exposure.
- The Family Restored (TFR) shall not be held liable should any participants or facilitators become ill after attending outdoor meetings.
